U. S. DOESN'T LIKE OUR UTILITY POLES

Uncle Sam's
Expensive Courthouse
Is 'Marred'

By R. R. NICOLAI

According to the scene set by the various demonstrations, the Federal Courthouse is close to the end of its usefulness. But despite the words of protest from many quarters, the building itself will continue to serve as a symbol of American justice. The new courthouse is already planned.

The rectangular building, which is expected to cost $3 million, will be around the corner from the old courthouse and will be larger in size. The new courthouse will feature modern design and amenities, including a new courtroom and a更大...
